

Toledo Fall Girls' Basketball League

Sponsored by **Blue Star Basketball**

National Evaluator, Duffy Burns is the Director and evaluator of this year's fall league to be hosted at Owens CC. This league is a unique opportunity for Northwest Ohio and Southeast Michigan to showcase prospects. Players will be divided into teams in accordance with OHSAA rules that state that only two players per high school or middle school can be on any one team. Grade school teams, CYO or AAU teams can play as a team.

Application process is based on a first come, first served basis. We will take the first 108 high school players registered and paid for this league. We will take at least 80 players in both the middle school and grade school divisions. There will be three divisions in the league: High School (9-12), Middle School (7th-8th) and Grade School (5th-6th).
